3 Figure 2. Hospital/staff performance comparison (between teaching hospitals A and B and all general hospitals in a country) Performance in relation to targets is a relative measure, not an absolute one.

Human Resource Indicators and Health Service Performance

The format of business letters must be formal. As business communication via letters is sent on e-mail and even via post, it is important to remember that structure and layout of letters differs from organization, however every letter template features two addresses " sender and recipient " in the main letter.
