Our minds tell us, and history confirms, that the great threat to freedom is the concentration of power. Government is necessary to preserve our freedom, it is an instrument through which we can exercise our freedom; yet by concentrating power in political hands, it is also a threat to freedom.

Freedom – Wikiquote

Globalization is part of a process in which localization is an antagonistic complement. This means economic and human movement in developed cities at the same time as others remain in their homes of origin identifying with the global world through massive communication media.

Las cinco consecuencias sociales de la globalización
